The record of 'The Christmas Story' in Luke's gospel give us three ways of treating the news concerning Jesus:

- * 'Some wondered', and there the matter ended, as, it is feared, it ends with many who hear it these days.
- * Mary weighed all these things in her heart, they would be a source of perpetual blessing to her.
- * The shepherds showed their belief in another way, for they glorified God by telling the glad tidings to others.

Have we not, also, got good cause to follow their examples?
